

## Historic Neighbourhoods Strategy Meeting

February 15, 2012 6-7:30 pm – Notes

1. Chris Alexander
  - Get power point from Chris
  - How many properties has Barrie "designated" under Heritage Act
  - Can we include heritage properties in CIP to provide financial incentives for building to be kept up if owner is not capable
  - For designated buildings/properties it is more cost effective and expedient to charge under the Heritage Act rather than Property Standards By-law
  - \* Circulate Heritage Report to committee when available
  - How hard is it to change CIP boundaries
  - Allandale have done a lot of work toward characteristics in the neighbourhood
2. Vice-Chair – Chris Manewell
3. Update membership list
4. Street signs
  - Name on top
  - Street Middle
  - Historic neighbourhood below
  - Send: proof of sign to committee & Allandale sign map to Bill
  - Determine timing from sign shop for manufacturing and installation
  - Also look for quote for "train" sign for Allandale
  - Committee will review with their associations attitude toward different designs for signs and we'll discuss next meeting
5. Circulate Mady picture
